NOVELTY PERENNIALS FOR 1941

We are offering the following choice hardy plants, for growing on, or immediate sales; at very reasonable prices. Many of the items here have been introduced by us, and you will no doubt recognize them as being among the best new and noteworthy perennials of the year. Others, we offer to the trade for the first time, and only those varieties which have been fully tested for hardiness and adaptability are introduced. Novelties will add new interest to your business and boost your profit by increased sales of your regular stock. 25 @ 100 rate; 250 @ 1000 rate.
